

PTC

Power Train Components

YOUR PARTNERS FOR PROFIT!

**When it Comes to Providing a True
Comprehensive Wheel Fastener Program
We've Got You Covered!**

PTC has greatly expanded our wheel fastener program offering to help maximize your sales opportunities. While other companies are consolidating their wheel fastener offering, we have continued to expand our coverage, which has resulted in dramatic sales growth in this category. Don't settle for a short line program and limit your sales opportunities. We've got what you need.

KEY FEATURES & BENEFITS

- All product meet OE specifications
- Available in bulk, boxed or individually bagged
- Application guide with detailed illustrations available online
- Popular assortments available
- Customizable assortments available upon request
- Competitive numbers referenced on packaging
- Comprehensive market coverage for domestic, import and light truck applications

Learn More

Are your customers tired of having their service bay tied up and losing valuable shop time, because they're missing a wheel lug nut or stud to complete the job? PTC has a solution with our convenient Wheel & Lug Nut assortments.

We've got the right product, right quality & right price to help maximize your sales opportunities.
