## PTC Introduces 55 New Numbers

PTC is excited to announce the addition of 55 new part numbers to our ever-growing product lineup including Bearings, Hub Assemblies, Hub Assembly Repair Kits, and Engine Oil Separators.

All these units are in stock and ready to ship, giving you immediate access to the coverage you need.

We know selling the same program your competition offers often at lower margins can make it tough to stay profitable. That's why PTC is continuously expanding our product offering to help you win back sales and revitalize your profit opportunities.

All our New Numbers deliver:

- **True OE Design, Fit, and Function**
  - for easier installation
- **Long, Dependable Performance** – built for durability
- **The Right Product, Right Quality, Right Price**
  - to maximize your profitability

Don't let online competitors cut into your margins. Partner with PTC to boost your sales and protect your bottom line.
